

Membership Application

We are pleased that you are interested in becoming a member of Charleston Crafts Cooperative, Inc. Charleston Crafts is a juried cooperative gallery featuring lowcountry and South Carolina Craft artists showing contemporary and traditional styles. The Cooperative is member-owned and operated. Both Charleston Crafts and the juried member artists have certain responsibilities to one another.

Being a member of Charleston Crafts provides the artist with the opportunity to display their work in the gallery, a vehicle for peer support and critique, and experience in operating a small business and gallery. In addition, members have the chance to participate in group exhibits and showing opportunities. In return, member artists are required to staff the gallery one day each work period (currently 28 days), to serve on committees, and to actively support the organization.

Once an artist's work has been accepted, an orientation and training session will be scheduled (generally within one month). At that time, the artist will be expected to pay a one-time set-up fee (\$50.00), six months dues (\$75.00) and sign an initial one year commitment contract. Towards the end of the first year, the artist's participation and involvement will be reviewed prior to being offered an extended commitment.

Please provide us with the following information so that we may process your application. Once your application has been reviewed, you will be notified of the date for the next jury. We sincerely appreciate your interest in Charleston Crafts.
